

PRODUCT DATA

740AD Adhesive Remover (Formerly Ickee Stickee Unstuck® Adhesive Remover)

Even professionals run across those ickee stickee residues from glues, tapes, and stickers. Quickly put the finishing touches on your job site with **740AD**. Made from a blend of oranges and soybeans, **740AD** is safe to use, eco-friendly, and even has a pleasant citrus scent.

Coverage:

150-200 sq ft per gallon

Application:

Spray **740AD** directly on the adhesive that is to be removed or on a towel or rag that can be used to wipe on the adhesive to be removed. For tough adhesives, let **740AD** sit for a few minutes and then wipe clean with a shop towel or rag.

Clean Up:

Before applying new label or coating, clean residue off with soap and water or clean warm water.

Usage Tip from the Pros:

- If able, lay surface with adhesive to be removed in a horizontal position to keep **740AD** from running.

Biodegradable:

Meets or exceeds ASTM standards

Precautions:

For large applications, test a small area before starting project. **740AD** may darken some surfaces.

Warnings:

May cause skin irritation. May cause eye irritation. May cause respiratory irritation or may cause drowsiness and dizziness. May be harmful if swallowed. Keep out of reach of children.

Flash Point:

149°F (65°C)

pH Level:

5.4 pH of 1/10 wt/wt solution in soft water

VOC (Volatile Organic Compounds):

19.6%, 1.53 lb/g, 183.36 g/l
California and OTC Compliant

Ingredients:

Tripropylene Glycol, Proprietary Surfactant, Soy Ester, D-Limonene
